Subject: UNVEILING OF MPD COMMUNITY ICE CREAM TRUCK

On Tuesday, December 8, at 2:00 p.m., in front of our Miami Police Headquarters located at 400 N.W. 2 Avenue, we will be unveiling our most technologically advanced community policing vehicle within our fleet. Unlike other advancements contained by most of our crime prevention vehicles, this one will be equipped with sweet treats for the youths of Miami.

The City of Miami Police Department will be unveiling and debuting its first ever, community ice cream truck!

This vehicle will be driven throughout the various neighborhoods of the City of Miami by officers assigned to the Community Relations Section. The officers will distribute "free" ice cream to area youths. The ice cream truck will also be used at several Miami Police community events.

The Miami Police Community Ice Cream Truck Project was made possible by the following sponsors:

- Eventstar Structures Corporation
- Greater Miami/Miami-Beach Police Foundation
- The City of Miami
- The Miami Police Athletic League

Follow Miami PD and Miami PAL on our social media platforms so residents can see where the Miami Police Ice Cream Truck will be visiting next.
