MPD STATEMENT

The body-worn camera footage depicting the interaction between members of the Miami Dade Police and Mr. Hill is hard to watch, but it's a reminder that we must always strive to do better. Despite no City of Miami Police involvement, I pray we can move forward and use this incident to forge a stronger partnership between our professional athletes, the community, and the brave men and women who are sworn to protect us all. When we work together, we all win.
