## S.W.A.T. Graduation Ceremony

The Miami Police Department will host a SWAT graduation ceremony this Friday, March 6, 2026, at 2:00 p.m. at the Chief Clarence Dickson Police College, 350 NW 2 Avenue, Miami, FL 33128.

Over the past three weeks, these dedicated officers have completed a rigorous and demanding training program designed to prepare them for some of the most challenging situations in law enforcement. Throughout the course, participants strengthened their discipline, sharpened critical decision-making skills, and reinforced the importance of communication and teamwork.

The training included hands-on, real-life simulated drills focused on high-risk search warrants, hostage situations, and active shooter incidents. Each scenario required officers to think quickly, act decisively, and work cohesively under pressure.

This graduation marks the completion of an intensive program designed to prepare officers for complex and high-risk situations while strengthening the skills needed to respond effectively and support the safety of the community.

Please join us in celebrating the graduates of the 2026 Miami Police SWAT School.
